

## Career Counselling Report-2021-22

### Home Science and Career Avenues

Date: 08.03.2022

A lecture was organized by the Department of Home Science through the virtual platform of Microsoft Teams on the occasion of Women's Day on March 8, 2022 by the Department of Home Science of Kashi Naresh Government Post Graduate College. The topic of the lecture was "Dimensions of Employment from Home Science". The speaker of this program was Dr. Shweta Singh, Home Science subject expert of Mahayogi Gorakhnath Krishi Vigyan Kendra, Gorakhpur. This programme was telecasted in college so 44 Students attend this programme in offline mode and 10 were in online mode.

Dr. Shweta Singh told the students about the usefulness and importance of the subject of Home Science in today's context. He gave detailed information about the five areas of Home Science, Food and Nutrition, Textile Science, Extension Education, Human Development and Resource Management. Along with this, he told about the ways to get the related employment opportunities available in all these areas. Dr. Shweta Singh also described the various dimensions of getting a job and giving a job i.e. self-employment through the subject of Home Science in her lecture.

Food preservation, hobby classes, interior decoration, NGO, printing-dying, crche, dress boutique, online marketing, health center etc. mentioned the areas of employment.

In order to make women self-reliant in the present scenario, information was also given about various government and bank loan schemes available for self-employment.

Central Bank's St. Kalyani scheme, under which women can get up to 1 crore for enterprise. State Bank of India's Stree Shakti Yojana, Punjab National Bank's Mahila Samridhi Yojana, besides the government's Mudra scheme, Annapurna scheme was also told .
