ACTION TAKEN REPORT DEPARTMENT WISE ON CURRICULUM FEEDBACK OBTAINED FROM STUDENTS

The College considers the curriculum as the heart of education and finds it important to assess the feedbacks from its stakeholders namely students. This feedback is in the form of an annual Student Satisfaction Survey which is conducted by the college. Feedback was taken from students of UG and PG students. The details of the feedback and the action taken for the year 2023-24 are as follows:

Student remarks- Students in their feedback gave average remarks on the question of course completion and this indicated that more efforts were needed.

Action taken- The feedback by students focused on course completion hence the concerned teachers provided sufficient study materials. They also planned special lectures in offline as well as online mode. Revision of some critical topics was also done.

Student remarks - Students of UG and PG expressed that their performance in class assignments, class teaching activities should be discussed. Students were very keen on new opportunities such as student exchange program as well as departmental level activities for expanding their horizon/ their overall growth.

Action taken- The Departments in their meeting took several decisions in response to the student feedback. This included organizing extra classes and online lecture programs to complete the syllabus on time. E-content and Class notes were regularly shared by each faculty member. Initiatives such as assignment presentation, group discussions etc. within the department helped in boosting students morale and enhanced their communication skills.

Student remarks- Students in their feedback highlighted about need for guidance for various competitive exams as well as they suggested for experiential learning to enhanced. Students also demanded that their performance in internal assignments should be disclosed.

Action taken- Students demanded guidance for competitive exams. To address this demand, training sessions and activities that were planned that can enhance the communication skills and soft skills of the students were encouraged. Important tips for personal interviews were also given Teachers paid more attention towards making their teaching more experiential through practical and interesting activities.

Student feedback- Feedback report analysis depicts that communication transfer of relevant information by teachers can be improved. Students felt that involvement of new ICT tools in teaching methods is essential and it can also be used for timely completion of the syllabus.

Action taken- As per the student feedback, several decisions were undertaken in the faculty meeting. Increased use of ICT tools to make teaching-learning a more interactive and enriching experience. It was also decided to organize more guest lectures and online events for students' engagement and proper notes and study materials were shared with students.
